

supplementarydata_questions.txt

This data file, in tab-delimited text, includes every question submitted. Questions are identified by the session in which they were asked and the author of the question. Also included is a summary of the total number of votes this question received. We show the classification of the question based on the thematic categories in Table 2 of the manuscript (done by blind coding the questions in random order).

Columns (listed in sequential order)

supplementarydata_questions.txt	
	Unique ID of the question. Questions are numbered sequentially, with each semester starting at 1, 1000, or 3000. There were two sections during the semester with index starting in 1000 that were
QuestionID	intermixed.
PersonID	Unique ID of the author. Corresponds to the ID's in the student table.
SessionID	Unique ID of the session. Corresponds to the ID's in the session table.
